

gogetta[®]
equipment funding
equipped to succeed

*Your Perfect
Funding Partner*

GoGetta's commercial vehicle and equipment funding solution, **Rent.Grow.Own**[®], is the most flexible in the market.

We fund new business start-ups and help existing businesses grow. Unlike other financiers, we fund new and fair-valued used assets - regardless of their age, mileage or hours of use.

What's more, you can pay out the asset whenever you want; we'll give you a generous rental rebate to put towards the purchase price.

And if the asset isn't right for your business, you can return the asset to us after 12 months without penalty.

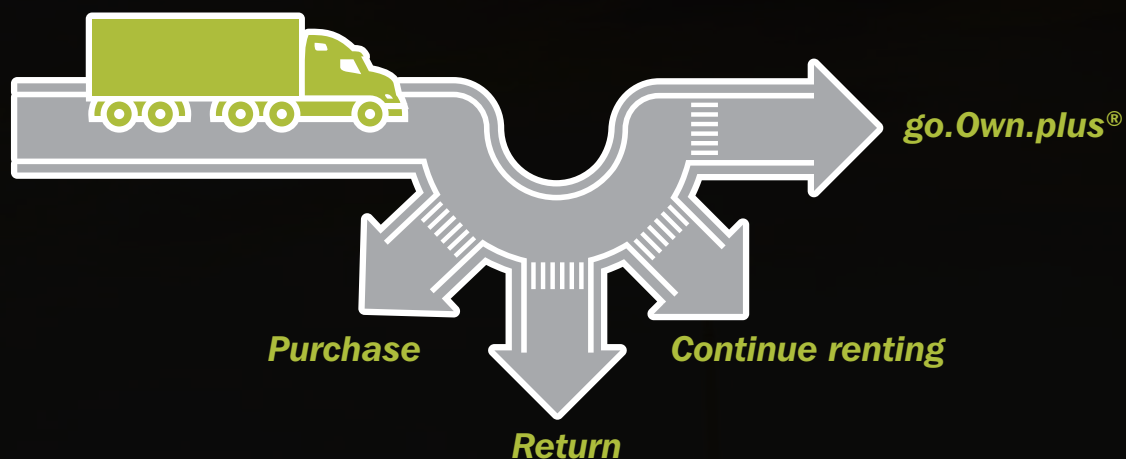

Key benefits

- funding for new and used vehicles and equipment
- off-balance-sheet funding—your ability to borrow more money is unaffected
- low upfront costs, helping you preserve working capital to grow your business
- affordable, 100% tax-deductible weekly rental payments
- short, 12-month agreement—you're not locked in for years
- ability to pay for equipment in full at any time—you are in control
- generous net rental rebates on the purchase price—75% in the first 12 months
- ability to hand back equipment after 12 months without penalty, if no longer needed
- quick and easy application process
- typically no personal guarantees under \$55K.

How it works

1. You choose the vehicle or asset you require.
2. You apply for funding from GoGetta—through us or an accredited finance broker.
3. If your application is approved, you sign a 12-month, **Rent.Grow.Own**[®] agreement.
4. GoGetta purchases the vehicle or equipment outright on your behalf.
5. You pay GoGetta a weekly rental to use the equipment.
6. After 12 months, you have a number of options, including:

Purchase At any point in the rental term you can pay for the vehicle or equipment in full without penalty. If you pay in full within the first 12 months, you'll receive a 75% net rental rebate on the purchase price. You are in control.

Return – If, after the first 12 months, the vehicle or equipment is no longer suitable or your business hasn't worked out as planned, you can give it back to GoGetta without penalty.

Continue renting After the first 12 months, you can simply continue renting. You will still have the option to purchase the vehicle or equipment and receive a generous rental rebate or give it back to GoGetta without penalty.

go.Own.plus[®] After the first 12 months, you can switch to a three-year **go.Own.plus**[®] rental agreement, whereby you continue to rent the equipment for up to 30% less per week. At the end of the agreement, you can purchase the equipment for a nominal figure.

Example

Let's say you rented one or more assets valued at **\$50,000**. With GoGetta, your payments would be:

Weekly Rent:	\$634.62
Purchase Price after 12 months - including 75% net rental rebate:	\$30,250.00
12 month Rental Cost (after tax deduction):	\$33,000.00

To get your GoGetta Rental started, GoGetta asks for a 4 week bond, 1 week upfront and a documentation fee of \$395 to start your agreement

(Note: \$235 documentation fee applies for equipment no requiring registration. Insurance Certificate of Currency may also be required. Minimum Asset Value in each rental agreement must be \$2000).
